Leadership Forsyth (LF) is a 501c3 non-profit organization founded in 1989 by 26 Forsyth County business and community leaders. Since that first class, the program has graduated over 370 adult alumni, 70% of which are actively involved in the Forsyth County community. LF also provides an annual leadership training program for Forsyth County youth in private and public schools.

The mission of LF is to broaden the volunteer leadership base, identify and train future leaders, and promote a network of informed, motivated community leaders. Opportunities to assist LF in developing a high quality of life in Forsyth County include:
